## Golf Etiquette & Handicap Information

1. Always be ready to hit in turn. Plan club selection while approaching your ball or waiting for others to hit.
2. Let faster players play through if there is an open hole ahead.
3. Player whose ball lies closest to the hole attends or removes flag. First to hole out should be ready to replace flag.
4. To speed play, putt out, rather than marking ball. Leave putting green immediately after holing out. Record score on route or at next tee box.
5. Do not move, talk, or stand close to ball, hole, or in line of putt when a player is making a stroke.
6. Rake footprints in sand traps.
7. Repair ball marks on greens and fairways.
8. Do not scuff shoes or putter on the greens.
9. Stay on cart paths when indicated.
10. Cell phones are to be silenced during the play of the hole.
11. You must finish the entire hole and count all of your strokes.
12. Remember – some of our league players may be new to the game, so please be kind and helpful when explaining the rules.
13. **Ready Golf.....**anyone that is ready to hit the ball does not have to hit in order of honors from the previous hole.
